HIGH PRIVATE WINS AGAIN

WAINWRIGHT RACER MAKES GREAT WEIGHT CONCESSION IN SHAWNEE HANDICAP.

Granite Takes Another Purse for Phil Hyams Brothers Finish First and Second in Third Race-Gossip of Kentucky Circuit.

Louisville, Ky., October 12.—J. R. Wainwright's High Private accounted this afternoon for the Shawnee Handicap, worth \$1,040 net. He won in handy style from Carlton G. and Cherryola, the only other starters. It was his fourth successive victory and had the more merit from the fact that he was making big weight concessions to his opponents. The rough going was much to his liking and he carried his big burden with ease, winning well in hand and showing the most speed throughout. Carlton G. outstayed Cherryola in the final drive for second place.

outstayed Cherryola in the final drive for second place.

The approaching end of the local racing season and fine weather combined to attract another big attendance. Track conditions were not much better than yesterday during the running of the first three races, but thereafter the harrows and float made a decided impression on the going. With no more rain tonight the track will be in excelent condition for tomorrow's racing.

The fifth race resulted in a victory for Azyiade over Free Lance and Oakland. The latter, making his first start hereabouts, showed a dazzling flight of speed for the first three furlongs, but was overhauled in the stretch by Azyiade,

Phil Hyams is reported to have made another handsome winning on the victory of Granite, which look the closing dash in easy fashion from Colonel Ashmeade and Queen Marguerite. Union Jack turned a form somersault when he beat his brother, Al Muller, in a common canter for the purse in the third race.

Mycenae's success in the opener was unexpected even by her trainer, who had a modest wager on Rudofro. Carlton Club, the runner-up in the race, inside his initial debut under colors and was the longest-priced horse to run second during the meeting.

CHASERS FIND LAUREL JUMPS STIFF.

Laurel, Md., October 12.—An evenly balanced card of six races was down for decision this afternoon at Laurel, and as the track had dried out and was once more in good condition, the racing during the afterneon was of the best, with close finishes the rule. Well-backed horses were returned winners in most of the races, but Ed Keck was the only favorite that was able to show the way home. The handicap steeplechase at about two miles was to have been the day's feature, but the stiff jumps again oroved tromblesome to the horses that ran and there were several falls. Five took part in the race with Rosslampton an odds-on choice, but after almost going down at the second jump, he finally lost his rider at the seventh. Agression refused early in the struggle, while Tom Cat, after making the fifth jump, stumbled and fell, making the short turn just below the judges' stand. These mishaps made the race just an ordinary canter for Diebold, which was out in front all the way and finally won eased up. Agression went the circuit and finished second, but he others in the race were not remounted, no third money was awarded.

Affable and Duval furnished a pretty struggle in the second race. Duval proved gamest and at the end drew out in a hard drive to win by less than a length.

John W. Rice, one of the leading stockholders in the Marlboro track, was among the visitors today, and he states that preparations are going along well for the meeting of ten days that will be given at that track. He said that 150 men are now busy on the grandstand and new betting ring that is being erected, and that everything will be in readiness for the opening of the meeting following the close at Laurel. Mr. Rice also said that arrangements had been made with the railroad for special cars to transfer horses from Laurel to Marlboro.

William DuBois, John Lewis, Dave Gideon Joe Reilly and Ral Parr were among those who visited the course this afternoon.

Jockeys Hopkins, Byrne, Sweeney and C. Peak were fined \$15 cach and B. Steele was given one day's suspension by starter Murray.

Jockey Diggins, who had been riding at Pimlico, had several mounts here today.

A. B. Gallagher sold Silas Grump to J. G. Wagnon before the running of the first race, while William Walker disposed of Sir Edward to J. E. Sheldon.

LATONIA'S EXCELLENT PROSPECTS.

Pick of Western Horses Ready to Engage in Meeting Which Opens Next Monday.

Cincinnati, O., October 12.—Latonia's track superintendent, John M. Keegan, is busily engaged in getting everything about the plant spick and span for
the opening of the racing next Monday. The improvement of the paddock, including a new covered
walk from the betting shed, has been completed. A
liberal application of paint and whitewash on the
buildings and fences has added to the attractiveness
of the plant. Little has been done to the track
proper since the close of racing last July, except to
keep it constantly in condition for training operations. There were nearly 200 horses stabled at the
course during the summer months that received their
racing preparation over the track for the fall cam
paign.

At present the track is slow, but if no more rate.

racing preparation over the track for the fall campaign.

At present the track is slow, but if no more rain falls before the opening it will be lightning fast for the running of the Latonia Inaugural Handicap, and it is not improbable that the track record for the mile and a sixteenth will be lowered in that race, as many good horses are engaged. Starbottle, Meridian, Swannanoa, Mary Davis, Adams Expresss, Cherryola, Leamence, High Private, Governor Gray and Pinkola are looked upon as sure starters. If the above go to the post, the race will have a gross value of \$2.570, of which the winner's net portion will be \$2.005. It is likely, if favorable racing conditions prevail, that owners of others besides the above-named will try for the rich plum and every additional starter above ten will swell the winner's share by \$50. Helmet, Princess Callaway, Granite and Milton B. are looked upon as likely additional material.

above-named will try for the rich plum and every additional starter above ten will swell the winner's share by \$50. Helmet, Princess Callaway, Granite and Milton B. are looked upon as likely additional material.

There already have been some arrivals from Louisville, but the real influx will not set in until Satur day. Specials are then scheduleed to continue until Tuesday, when it is thought that the transfer of more than 600 horses from the Falls City will have been accomplished.

Some of the big stables will split their stables, sending part on Saturday and the remainder ou Monday. This is done mainly with a view to engaging some of the horses on the closing day of the Churchill Downs meeting. Among those who intend to ship part of their string here Saturday and engage some of the others that day at Louisville are R. F. Carman, H. C. Hallenbeck, F. R. Hitchcock, J. R. Wainwright, L. P. Doerhoefer, George M. Odom and James S. Everman.

All the big stables, with the exception of W. G. Yankee, will ship to Latonia. The Yanke consign ment will go to Mexico City some time next week and will be accompanied by about fifty horses variously owned. After the meeting at Mexico City, all the horses that will engage in the racing there will be shipped to Juarez for the 100-days' meeting the coming winter.

Latonia will draw most of the riders now doing saddle service at Churchill Downs, while the Maryland courses will contribute extensively later. There will also be additions to the ranks of the owners from Pimlico and Laurel. Pimlico comes to a close on Saturday, October 21, affording owners at that point opportunity to engage in the Latonia racing for three weeks. The Laurel contingent will be able to take part in only ten days' racing at Latonia if they are so minded as to ship here after the close of Maryland racing.

The Latonia Endurance Stakes, which well features the stake offerings of the meeting and is carded for the closing day, promises to exceed in bril liancy the four-mile Endurance Stakes, which well featu

Baltimore, Md., October 12.—The Stafford Handicap and the Emerson Steeplechase were provided as attractions at Pimilco this afternoon. S. C. Hildreth furnished the winner of the former in his good three-year-old, Zeus, which was making his ordinary opposition and won with ease after making ordinary opposition and won with ease after making the running was the result in doubt.

Williams Garth's promising three-year-old fencer, and three of them came to grief during the running. The Prophet met with a mishap at the second jump, where he fell, and Alfred Noble and Supplement turn of speed for the first turn of the field, where the deady was into a long lead, but the second time around he tired badly. The real issue was for Numerator a nose for the short end of the purse. The Wilson Stable, which has been in great form here, turnished two more winners this afternoon in his race and won by a leigth.

Matt Allen's colors were seen for the first time in a long while in this race. He sent a flashy looking the intere-year-old called Mongolian to the post and the latter threatened to make a runaway affair of the face by going to the front in the first furlong and opening a good lead. In the stretch he quit, and it may be that he was a bit short. Owanux just did manage to last long enough to win his race by a nose from Montgomery. The latter appeared to sulk in a long while in this race, He sent a flashy looking the early stages and Shilling was forced to go to a last at the end and would have won in another stride.

Flamma, the sister to Field Mouse, that has proved a disappointment on many occasions, showed a did for good two-year-olds. She came from the rear division and closing with great speed, won by a couple of lengths. Flamma showed that she is a stayer and she may make a good three-year-old.

NOTES OF THE TURF.

Hiawatha, owned by Charles Pfizer, won the Prix De La Breviere at Compiegne, France, yesterday. J. C. Cahn will take Mockler and Sleeth to Juarez when the Latonia meeting ends, and he also hopes to be able to pick up another horse or two at Latonia tonia.

James H. McCormick is continuing his training successes in Germany. He recently won the \$25,000 Hammonia Preis for two-year-olds with Baron Oppenheim's Dolomit. T. Rice of Chicago had the mount and won by a head from Eva, ridden by Winkfield. The same day Mr. McCormick saddled the winner of another important race.

Henry McDaniel has not as yet decided as to what he will do during the cold weather with his horses. This question he will settle during the coming Latonia meeting. At present he has Juarez in mind but as he is training a mixed stable of horses, owned by several different turfmen, he is undecided where he will spend the winter. Mrs. I. H. Wheatcroft's Woolwinder has been added to his stable recently. This horse has a bad leg and may not stand training.

GOOD STABLES FOR JAMESTOWN RACING.

Norfolk, Va., October 12.—Five stakes to be run during the course of the autumn meeting of the Jamestown Jockey Club, which begins November 2 and continues to December 1, will close on October 18. They include the Monticello Hotel Handicap, \$1,500, a mile dash for all ages; the Exchange Handicap, \$1,000, one mile and a sixteenth, for three-year-olds and over; the Lyunhaven Hotel Handicap, \$800. for two-year-olds, three-quarters of a mile; Thanksgiving Selling Stakes, \$1,000, for three-year-olds and over, one mile and an eighth, and the Merchants' Selling Stakes, \$8,000, for all ages, at six and one-half furlongs.

Bob Levy, general manager of the Jamestown Jockey Club, expects a heavy entry list for these stakes. They are the best ever offered at Norfolk for what promises to be the most successful race meeting ever held hereabouts. The overnight purses will be considerably more liberal than were ever offered here before, and, as a special inducement one more more of the owners of good two-year-olds, three purses will be hung up for the youngsters at distances ranging from one mile to one mile and an eighth. It is expected that these races will fill especially well.

The Jamestown management has not yet allotted any stabling, but at the rate applications for stalls are coming in there can be small doubt that the capacity of the plant will be taxed to the limit. Practically every eastern horseman now racing at Pimlico and Laurel will come this way after the windup of the season in Maryland. Among those who have bespoken stabling are August Belmont, chairman of the Jockey Club of New York; James R. Keene, the vice-chairman; Richard T. Wilson, president of the Saratoga Association; Capt. E. B. Cassatt, Ivan Fox, L. M. Stackhouse, Richard E. E. Cooney, Edward Trotter, A. G. Weston, Clint De Witt, John Hynes, Max Hirsch and Capt. P. M. Walker.

ZOROASTER BEATS GOOD OPPOSITION.

Spokane, Wash., October 12.—Zoroaster, starting at Coeur d'Alene for the first time, today won the Columbus Handicap at one mile and a quarter in easy fashion from Ocean Queen and Roy Junior. Rated behind Ocean Queen and Roy Junior to the stretch, he moved up quickly and, taking the lead thereafter, held his opposition safe. Ocean Queen managed to hold on long enough to head Roy Junior for third money.

money.

The Knights of Columbus Handicap at six furlongs was won by Enfield in a drive with Irish Gentleman and Daddy Gip. It was a good contest all the way. The racing was clean and formful and the attendance large.

MILLER LAW MAY BE AMENDED.

If is pitiful to find men of position willing, if not to break the letter of the law, at least to violate the spirit. People generally are of a generous disposition, and where they see a man of energy pushing things along according to his lights they are liberal enough to overlook minor shortcomings and to give him credit for good intentions. When, however, he egregiously fails to recognize the proprieties then the public usually utilizes a long memory. * * * Already we hear that an amendment to the act is to be asked for at the next session of Parliament that will make it plain that only fourteen days' running races can take place over any one track, and providing that for each of the seven days a license must be secured from the recognized Provincial authorities. If the whole subject of racing should thus be opened up again, and further curtailment or drastic regulations result, a large measure of blame will have to be given to the Toronto Driving Club and to the regretable lack of sportsmanship that has marked its action on this particular occasion.—Toronto World.
